The world of animals

Animals

Insects

Birds

## 16. Water and Air

### I. Draw and colour objects that are filled with air :

a) Balloon

b) Tyre

### II. Fill in the blanks:

1. Fish take in air from water.
2. We cannot drink seawater because it is salty.
3. Moving air is called wind.

### III. Missing Letters:

1. PARACHUTE
2. SAIL BOAT
3. OCEANS

### IV. Answer the following:

1. How can we make water clean before drinking it?  
By boiling and filtering.
2. What happens to a balloon when we blow air into it?  
When we blow air into a balloon, it gets bigger because air goes inside it.
3. Why should we save water?  
We should save water because it is a limited source and all living things need water.

### V. Mind Map:
